COMPONENTS

## USLMR

Catalog No.		L
Type	W	
USLMR	45	150
		200

Order

Catalog No. — L  
USLMR 45 — 200

Delivery

**Quotation**

Example

Profile simulated blocks or other non-standard structures are mounted onto the front end of the swing arm, and I shape support (GZAG60-94) can be attached to the bottom, thereby allowing use at different heights.

Simulated Block for Inspection or  
Other Non-Standard Structures
